# Shell College Campus

Shell College of hotel and tourism management was established in the year 2004. Shell College is one of the leading Hotel & Tourism Management colleges in Thane that imparts best knowledge about the functioning of the hotel and travel industry. Having acclaimed the status of being one of the best student-centric Hotel & Tourism Management colleges in Thane, we aim to develop technical and managerial skills among our students and cultivate dedication

for the profession and expertise in the field of specialization

We offer programs that are sanctioned by the government and affiliated to authorized educational bodies which in turn will aid student's career to progress & obtain the highest positions in the hotel & tourism industry. Our programs further nurture your dream of becoming successful Hospitality Head and Entrepreneurs.

In accordance with contemporary academic requirement and industry standards, well equipped classrooms & well experienced faculties enable our students to excel in their careers.

# President Message

---

Suresh Kale  
President

The Shell College of Hotel & Tourism Management was established in the year 2004. The institute is launched by experienced academician and industry professionals to cater to the growing demands of Hospitality Sector. SCHTM is affiliated with Maharashtra State Board of vocational Examination Mumbai (Govt. of Maharashtra), YCMOU Nasik & MKU.

SCHTM is conducting approved Hospitality and Tourism career programs, providing students the qualitative training to qualify for a certification that has stamp of excellence. Our panels of faculties are highly experienced professionals from the industry and students are from different part of country representing hospitality.

I welcome all the students to Shell College & wish bright career & future in this happening world of hospitality and tourism.
